THE FLATS AND THE ROOMS ARE THE PRIDE OF THE FATTORIA LA LOGGIA

Hereunder is one of our most exclusive rooms that exactly holds and expresses the quality and style of our hospitality.

The ancient wooden rafters of the ceilings, the floors, the big stony fireplaces, the charm of the period furniture together with that of the contemporary art paintings on the walls: this is the warm atmosphere and the style of all our rooms and of our flats.

The apartments and the bedrooms are fitted out with fully equipped kitchens, direct-dial telephones, satellite TV, Internet access, radio, safes and adjustable heating.
